Dear New Member Compatriot,

Congratulations and welcome to the Texas Society of the Sons of the American Revolution (“SAR”), Patrick Henry Chapter #11. We are delighted that you have chosen to join our Chapter here in Austin, Texas. The SAR is a dedicated patriotic service organization and our objectives are historic preservation, education and patriotism. Your membership in the Patrick Henry Chapter of the Texas Society is vital to the SAR in accomplishing its objectives.

The Patrick Henry Chapter of the Texas Society of the Sons of the American Revolution was chartered in 1938. We are a part of the National Society of the Sons of the American Revolution. We have members whose ages stretch from the 20's to their “prime”. The Patrick Henry Chapter counts President George H. W. Bush and his son President George W. Bush and five former Texas Governors as past members, but most of the members come from much more humble backgrounds. Most of our ancestors who fought in the Revolutionary War were hard working farmers who were good with a plow and a rifle.

We encourage you to regularly attend our monthly meeting held at the Texas Land and Cattle Restaurant on the third Saturday of each Month at 11 AM. <http://local.texaslandandcattle.com/tx/austin/6007-north-ih-35.html> Our monthly meetings are held to provide all of our compatriots an informative, educational and enjoyable experience. Our monthly guest speakers are always subject matter experts knowledgeable and informative on historical subjects regarding the American Revolution.

You will find enclosed a copy of our SAR Magazine, we encourage you to read our magazine which you will be receiving from SAR National. Browse through our website at <http://austinsar.org/> and our Facebook page at <https://www.facebook.com/AustinSAR/?fref=ts> to learn even more about our work and accomplishments.
